About | Who we are

Who We Are

At **NTPSAMS-TECHNOLOGY**, we are more than just an IT service provider — we are a team of passionate innovators dedicated to empowering businesses through **technology, strategy, and expertise**. Founded and led by **Jean Samuel Jules**, a seasoned **System Engineer** with over a decade of experience in **network and telecom systems**, our company was built on a strong foundation of knowledge, professionalism, and a relentless drive to help clients succeed in the digital age.

Our mission is to deliver **reliable, secure, and future-ready IT solutions** that strengthen business performance, enhance productivity, and drive sustainable growth. We take pride in our ability to translate complex technology into practical, easy-to-manage systems that align with our clients' goals.

Led by Expertise and Vision

Under the leadership of **Jean Samuel Jules**, CEO and CTO of NTPSAMS-TECHNOLOGY and ITC-GROUP LLC, our organization thrives on technical excellence and innovation. With extensive experience working across global organizations such as **Parexel**, as well as partnerships with NGOs, corporations, and international enterprises, Jean Samuel Jules has built a reputation for **engineering excellence, problem-solving, and leadership in IT project delivery**. Jean's educational background in **Computer Science, Network Engineering, and Cybersecurity**—combined with certifications from **NexGenT** and training from institutions such as **ESIH, INUQUA, AUF, UNIQ, and CREFIMA**—reflects his commitment to continuous learning and technological advancement.

What We Do
